## **Method overview:-**

Firstly I want to thank you for buying my ebook! My method lays stress on sharecash and its download and cash service! Share cash pays 1\$ for every 2 downloads! So how to earn money through it??

Please don't think in your mind "WTF! I did a mistake buying this ebook" because you didn't 😊

**YOU DON'T NEED TO DO ANY DOWNLOAD FOR MAKING MONEY.**

This ebook is fully autopilot and you may earn about 500\$ a month with this easily if you follow each and every step as mentioned in this ebook! This ebook needs an investement of 5\$ for every 25\$ you make!

**So if you invest 1\$ you would make 5\$ easily!**

## Method:-

1) Firstly make an account on [www.sharecash.org](http://www.sharecash.org)

Go to <http://sharecash.org/register.php> and make an account!

By registering you agree to our [Terms of Service](#) and to receive updates via email.

2) Make a simple text file and write anything in that file like “I am sick” :P etc.. and upload it on sharecash!

**Note:- You must remember what you had written in that file! It would be required later on**

3) Now your file is ready to download! But the question arises now that “Who the fuck will download my file and how will I get money?”

Here is the solution to it!

There is a site called Minute workers

<http://minuteworkers.com>

People do small small jobs there and earn money!  
They around 0.10\$ for every job they do! So now you are going to give job to the people :D

1) Go to <http://minuteworkers.com/register.php> and register an Account for yourself!

## Sign up for your Minute Workers account

### Calculate Your Costs

Category prices listed are minimum prices acceptable for this type of campaign. You can increase payment per task to be listed higher and get better results.

This task takes less than	<input type="text" value="3"/>	minutes to finish
Available positions	<input type="text" value="20"/>	workers needed : minimum 10
Worker will earn	<input type="text" value="0.10"/>	USD : minimum 0.1

Calculate

**Estimated job cost: \$2.20**

**Job Title:**You have  characters left.

Title must contain the site name; E.G sign up to neobux.com - NOT "simple sign up"

**Job Description:**... You have  characters left.

Please ensure your description is well described and understandable. Step by step is recommended

**Proof Needed From Worker:**

- 
- 
- 

You have  characters left.

The proof you request must be accurate to the activity needed.

---

Then click on submit!

You will pay **every worker 0.10\$** for every file he downloads and he must give the text written in your file that you had written in the starting as a proof of his download!

People will run to you for completing your job offer and you will earn a loads of cash at sharecash through it!

**Note:- You will have 1.10\$ in your minute workers account from starting only! So you can make around 5.50\$ without investing anything :D**

The more you give jobs to the people the more you earn from sharecash!

If you invest **maximum 15\$** then also you **earn 75\$ a day!**

And after your get paid in paypal by sharecash invest more money and make more money =D

This is a simple but **VERY POWERFULL** way of earning money! This runs on auto pilot as once you have setup the job and everything then you only need to pay the workers for their downloads and nothing else! Best of luck making money through it 😊

**Regards:-**
